### **50/70 Returns for 2012 Season!**

Based on 2011's overwhelming success with the introduction of the Cal Ripken 50/70 program, CSBA is excited to announce that this division is available again this year! The 50/70 division, which has a 50' pitching distance and 70' base paths, is an addition to our Cal Ripken American and National League divisions (46' pitching distance and 60' base paths).

Division participation determined by player evaluation and draft. For additional information, visit our website <http://csbababeruth.org>
